SOCOSIX

WHO WE ARE

SOCOSIX was established as a global risk management and security company in 2016. From executive protection, embedded advisory, crisis management, emergency extraction, and providing local intelligence and regional expertise, our clients rely on our services to mitigate risk, protect people, and support corporate resiliency around the world. Our workforce brings together a combination of expertise, with backgrounds in law enforcement, intelligence, and military special operations. We are focused on solving problems for our clients and providing effective solutions in the dynamic global security environment. We are proud of our history serving individuals, family offices, corporations, and government clients.

OUR MISSION

To provide smarter, more resilient risk management solutions to private, corporate, and government clients.

OUR VISION

We strive to enhance global safety and security and protect those we serve through adaptable, integrated risk management solutions.

Guided by integrity, discretion, and excellence, we aim to redefine the standard for security and resilience worldwide.

PROTECTING PEOPLE.
MANAGING RISK.
GLOBALLY.
